This communication is a response to a second non-final Office Action having a mailing date of 01/13/2005 and setting forth a shortened statutory period for response of three months which would expire on 04/13/2005

The applicant has studied the examiner's detailed action carefully and has noticed that claims 3 and 5 - 7 are objected to but would be allowable if rewritten in independent form. This will be done on separate page(s).
